For: A HUMAN 2-19 PROTEIN HOMOLOGUE, Z219C

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, DC 20231

Sir:

It was brought to our attention by the Examiner that accession numbers were not listed for reference number A9 and references A12 through A129 of the Information Disclosure Statement of April 15, 1999. Submitted herewith is a new Form 1449 with the accession numbers listed. Applicants are submitting a copy of references A29 and A118. Applicants are not submitting copies of the other listed documents, since the documents were previously submitted to the Patent Office in the Information Disclosure Statement of April 15, 1999.

In accordance with 37 C.F.R. 1.56, 1.97 and 1.98, Applicants submit herewith references which they believe may be material to the examination of this application and with respect to which there may be a duty to disclose in accordance with 37 C.F.R. 1.56.

In accordance with 37 C.F.R. 1.97, the filing of this Information Disclosure Statement shall not be construed as a representation that a search has been conducted, nor shall it be construed to be an admission that the information cited is, or is

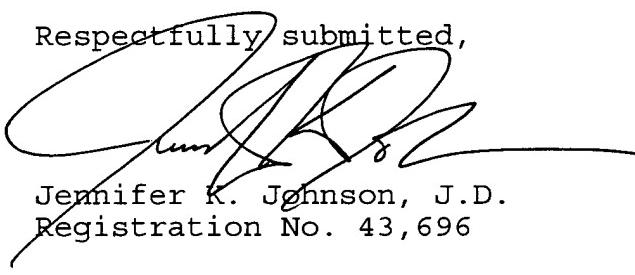

considered to be, material to patentability as defined in 37 C.F.R. 1.56(b).

The references are listed in PTO form 1449 which is in accordance with the requirements of M.P.E.P. 609. Applicants believe that their invention as claimed is patentable over the references.

The undersigned hereby certifies that no item of information contained in this Information Disclosure Statement was cited in a counterpart foreign application or, to the knowledge of the undersigned after making reasonable inquiry, was known to any individual designated in 37 C.F.R. 1.56(c) more than three months prior to the submission date cited herein.

It is respectfully requested that these references be considered by the Patent and Trademark Office in its examination of the above-identified application and be made of record therein. The Examiner is also invited to contact the Undersigned if there are any questions concerning this paper or the attached references.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "J. K. Johnson".

Jennifer K. Johnson, J.D.
Registration No. 43,696
